The iconic lovely that appeals to you most is Audrey Hepburn. Your style is classic, ladylike, and you never have to worry about looking back at a picture and saying, "I can't believe I wore *that!*" Even in Keds and a crisp white blouse, you look one hundred percent pulled together. You are naturally upbeat and choose fashions that make you feel lighthearted.

You're drawn to the daring styles of Cleopatra. No one better mess with you, especially when you have your pet snake wrapped around your stylish body. You are a power dresser, but have a feminine side too. People often mistake you for a Greek goddess, and you are the first to be voted "most likely to succeed." It's tough being so darn alluring.

You have mostly 5s

You love the glam fashions of Marilyn Monroe. Your complex style lets you slam-dunk during gym class, even while wearing diamonds. You may practice your air kiss in front of the mirror to have a little fun, but you also know when to hit the books.

You have mostly 6s

You're most influenced by the fashionista Josephine Baker. You are the life of the party and the first to get on the dance floor. You like to make people laugh, but you will never let them laugh at you. You are most comfortable in bold styles—anything that matches your fearless fashion sense, from animal print tights to red enamel bangles.
